		Control Number:	0010001
Bonds:	\$301,450,000.00 in aggregate principal amount of Power Revenue Bonds, Series RR, maturing on July 1 in the Years 2021 through 2024 and 2035	Premium:	\$6,864,832.83

Financial Guaranty Insurance Company ("Financial Guaranty"), a New York stock insurance company, in consideration of the payment of the premium and subject to the terms of this Policy, hereby unconditionally and irrevocably agrees to pay U.S. Bank Trust National Association or its successor, as its agent (the "Fiscal Agent"), for the benefit of Bondholders, that portion of the principal and interest on the above-described debt obligations (the "Bonds") which shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

Financial Guaranty will make such payments to the Fiscal Agent on the date such principal or interest becomes Due for Payment or on the Business Day next following the day on which Financial Guaranty shall have received Notice of Nonpayment, whichever is later. The Fiscal Agent will disburse to the Bondholder the face amount of principal and interest which is then Due for Payment but is unpaid by reason of Nonpayment by the Issuer but only upon receipt by the Fiscal Agent, in form reasonably satisfactory to it, of (i) evidence of the Bondholder's right to receive payment of the principal or interest Due for Payment and (ii) evidence, including any appropriate instruments of assignment, that all of the Bondholder's rights to payment of such principal or interest Due for Payment shall thereupon vest in Financial Guaranty. This Policy is non-cancellable for any reason. The premium on this Policy is not refundable for any reason, including the payment of the Bonds prior to their maturity. This Policy does not insure against loss of any prepayment premium which may at any time be payable with respect to any Bond.

As used herein, the term "Bondholder" means, as to a particular Bond, the person other than the Issuer who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof. "Due for Payment" means, when referring to the principal of a Bond, the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity and means, when referring to interest on a Bond, the stated date for payment of interest. "Nonpayment" in respect of a Bond means the failure of the Issuer to have provided sufficient funds to the paying agent for payment in full of all principal and interest

(i) The Trustee shall provide the Bond Insurer with a list of the bondholders entitled to receive principal or interest payments from the Bond Insurer under the terms of the Bond Insurance Policy and shall make arrangements for the Bond Insurer and its Fiscal Agent (1) to mail checks or drafts to bondholders entitled to receive full or partial interest payment from the Bond Insurer and (2) to pay principal of the FGIC Insured Bonds surrendered to the Fiscal Agent by the bondholders entitled to receive full or partial principal payments from the Bond Insurer; and

(ii) The Trustee shall, at the time it makes the registration books available to the Bond Insurer pursuant to (i) above, notify bondholders entitled to receive the payment of principal of or interest on the FGIC Insured Bonds from the Bond Insurer (1) as to the fact of such entitlement, (2) that the Bond Insurer will remit to them all or part of the interest payments coming due subject to the terms of the Bond Insurance Policy, (3) that, except as provided in paragraph (b) below, in the event that any bondholder is entitled to receive full payment of principal from the Bond Insurer, such bondholder must tender his FGIC Insured Bond with the instrument of transfer in the form provided on the FGIC Insured Bond executed in the name of the Bond Insurer, and (4) that, except as provided in paragraph (b) below, in the event that such bondholder is entitled to receive partial payment of principal from the Bond Insurer, such bondholder must tender his FGIC Insured Bond for payment first to the Trustee, which shall note on such FGIC Insured Bond the portion of principal paid by the Trustee, and then, with an acceptable form of assignment executed in the name of the Bond Insurer, to the Fiscal Agent, which will then pay the unpaid portion of principal to the bondholder subject to the terms of the Bond Insurance Policy.

(b) In the event that the Trustee has notice that any payment of principal of or interest on a FGIC Insured Bond has been recovered from a bondholder pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Trustee shall, at the time it provides notice to the Bond Insurer, notify all bondholders that in the event that any bondholder's payment is so recovered, such bondholder will be entitled to payment from the Bond Insurer to the extent of such recovery, and the Trustee shall furnish to the Bond Insurer its records evidencing the payments of principal of and interest on the FGIC Insured Bonds which have been made by the Trustee and subsequently recovered from bondholders, and the dates on which such payments were made.

(c) The Bond Insurer shall, to the extent it makes payment of principal of or interest on the FGIC Insured Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Bond Insurance Policy and, to evidence such subrogation, (i) in the case of subrogation as to claims for past due interest, the Trustee shall note the Bond Insurer's rights as subrogee on the registration books maintained by the Trustee upon receipt from the Bond Insurer of proof of the payment of interest thereon to the bondholders of such FGIC Insured Bonds and (ii) in the case of subrogation as to claims for past due principal, the Trustee shall note the Bond Insurer's rights as subrogee on the registration books for the FGIC Insured Bonds maintained by the Trustee upon receipt of proof of the payment of principal thereof to the bondholders of such FGIC Insured Bonds. payment of such past due interest and past due principal directly to the Bond Insurer to the extent that the Bond Insurer is a subrogee with respect thereto.

Section 4. Events of Default. (a) In determining whether a payment default has occurred or whether a payment on the FGIC Insured Bonds has been made under the Trust Agreement, no effect shall be given to payments made under the Bond Insurance Policy.

(b) The Bond Insurer shall receive immediate notice of any payment default and notice of any other Event of Default known to the Trustee or the Authority within 30 days of the Trustee's or the Authority's knowledge thereof.

(c) For all purposes of the Trust Agreement governing Events of Default and remedies, except the giving of notice of default to Bondholders, the Bond Insurer shall be deemed to be the sole holder of the FGIC Insured Bonds for so long as it has not failed to comply with its payment obligations under the Bond Insurance Policy.

(d) Any waiver of an Event of Default as to the FGIC Insured Bonds by the Trustee shall be subject to the prior written consent of the Bond Insurer.

Section 5. Events of Defaults and Remedies. FIGC shall be recognized as the registered owner of each FIGC Insured Bond for purposes of exercising all rights and privileges available to the registered owners of the FIGC Insured Bonds. With respect to any FIGC Insured Bonds, FIGC shall have the right to institute any suit, action or proceeding at law or in equity under the same terms as a bondholder in accordance with the applicable provisions of the Trust Agreement.

Section 6. Party in Interest. The Bond Insurer shall be included as a party in interest and as a party entitled to (i) notify the parties of the occurrence of an Event of Default as to the FGIC Insured Bonds under the Trust Agreement and (ii) request the Trustee to intervene in judicial proceedings that affect the FGIC Insured Bonds or the security therefor. The Trustee shall be required to accept notice of an Event of Default as to the FGIC Insured Bonds from the Bond Insurer.

Section 7. Amendments and Supplements. Any amendment or supplement to the Trust Agreement affecting the FGIC Insured Bonds shall be subject to the prior written consent of the Bond Insurer. In addition, FIGC shall have the right to consent in lieu of the owners of the FGIC Insured Bonds to all agreements supplemental to the Trust Agreement to which the owners of FGIC Insured Bonds have the right to consent. Any rating agency rating the FGIC Insured Bonds must receive notice of each amendment and a copy thereof at least 15 days in advance of its execution or adoption. The Bond Insurer shall be provided with a full transcript of all proceedings relating to the execution of any such amendment or supplement.

Section 8. Successor Trustees. No resignation or removal of the Trustee shall become effective until a successor has been appointed and has accepted the duties of trustee. Section 9. Defeasance of FGIC Insured Bonds. Only cash, direct non-callable obligations of the United States of America and securities fully and unconditionally guaranteed as to the timely payment of principal and interest by the United States of America, to which direct obligation or guarantee the full faith and credit of the United States of America has been pledged, Refcorp interest strips, CATS, TIGRS, STRPS, or defeased municipal bonds rated AAA by S&P or Aaa by Moody's (or any combination of the foregoing) shall be used to effect defeasance of the FGIC Insured Bonds unless the Bond Insurer otherwise approves. In the event of an advance refunding, the Authority shall cause to be delivered a verification report of an independent nationally recognized entity having favorable repute for the preparation of such reports. If a forward supply contract is employed in connection with the refunding, (i) such verification report shall expressly state that the adequacy of the escrow to accomplish the refunding relies solely on the initial escrowed investments and the maturing principal thereof and interest income thereon and does not assume performance under or compliance with the forward supply contract, and (ii) the applicable escrow agreement shall provide that in the event of any discrepancy or difference between the terms of the forward supply contract and the escrow agreement (or the Trust Agreement, if no separate escrow agreement is utilized), the terms of the escrow agreement or the Trust Agreement, if applicable, shall be controlling.

Section 10. Redemption Notices. Notice of any redemption of FGIC Insured Bonds shall either (i) explicitly state that the proposed redemption is conditioned on there being on deposit in the applicable fund or account on the redemption date sufficient money to pay the full redemption price of the FGIC Insured Bonds to be redeemed, or (ii) be sent only if sufficient money to pay the full redemption price of the FGIC Insured Bonds to be redeemed is on deposit in the applicable fund or account.

Section 11. Reimbursement of Expenses. To the extent permitted by law, the Authority shall pay or reimburse the Bond Insurer for any and all charges, fees, costs and expenses that the Bond Insurer may reasonably pay or incur in connection with the following: (i) the administration, enforcement, defense, or preservation of any rights or security under the Trust Agreement or under any other transaction document; (ii) the pursuit of any remedies under the Trust Agreement, under any other transaction document, or otherwise afforded by law or equity, (iii) any amendment, waiver, or other action with respect to or related to the Trust Agreement, this Agreement or any other transaction document whether or not executed or completed; (iv) the violation by the Authority of any law, rule, or regulation or any judgment, order or decree applicable to it; (v) any advances or payment made by the Bond Insurer to cure an Event of Default of the Authority under the Trust Agreement as to the FGIC Insured Bonds; or (vi) any litigation or other dispute in connection with this Agreement, any other transaction document, or the transactions contemplated hereby or thereby, other than amounts resulting from the failure of the Bond Insurer to honor its payment obligations under the Bond Insurance Policy. The Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver, or consent proposed in respect of the Trust Agreement, this Agreement or any other transaction document. The obligations of the Authority to the Bond Insurer shall survive discharge and termination of the Trust Agreement and this Agreement.
